Ristee Towers FC scorer Adam Taylor at 74 minutes.

Man of the Match Andrew Millard

Manager Dave Parsons

Ristee Towers FC went into this game with an eye on the remaining fixtures and the need for 3 points here. The match itself never settled into any pattern with both sides unable to string football together for any length of time, what football there was being constantly broken up by injuries or the whistle or both. The first half came and went scoreless as Towers held a good back line and Daventry were relentlessly caught offside, much to their annoyance. In the 77th minute Adam Taylor had another go at goal and lobbed the keeper to put Towers ahead. Moments later Towers charged back into the box only to have a player hauled down, resulting in the decision to restart play from a dropped ball, which itself was judged wrongly taken and thus taken again - still with no positive outcome. Straight back up the other end went the home side only to get a free kick right on the edge of the box from a similar situation - bang went the kick and in went the ball off a Towers player for the 77th minute equaliser. Back down the other end went Towers to again be hauled over in the box this time to find themselves accused of diving and given an indirect free kick inside the penalty area which was duly charged down. In the end time ran out and Towers had to settle for just the 1 point.
