Substitutions . Mark Linnitt for Gary Rose at 64 minutes, Ben Wadsworth unused.

Manager Dave Parsons

Man of the Match - Jared Thres

Ristee Towers FC came up against division leaders Dainite Sports and defended stoutly as the visitors came at them relentlessly down the slope with a howling tail wind. Just when a goal less half looked in sight the ball fell to Dainite from a goal line clearance and went in at the second attempt. This inspired the youthful Dainite side to put on their full attacking all shooting style at full strength and a second went in right before the half time whistle. Out came Towers to throw everything at the visitors but a combination of shots off target, a saved penalty and the visitors high risk strategy of a high defensive line keeping Towers offside for move after move meant no home goals. In fact it was the visitors in their all guns blazing style who ran up the other end to kill the game off in the 73rd minute.

Not the scoreline that the home side wanted but a tremendous game of football played in a sporting manner and superbly refereed.
