Ristee Towers FC fell to earth with a bump as they found out what relegation really means in the aggressive, abusive environment for this fixture as they conceded their first loss of the season. Towers looked out of sorts from the start, perhaps rattled by the scruffy shambles they found themselves playing in. The home side, by contrast , saw everything as quite normal and clicked into gear straight away to play some good football. Towers conceded to that good old favourite, the goal mouth scramble, as a row of flailing legs failed to contact with the bouncing ball and the home team somehow bundled it in. The second goal was clear cut as 10 man Towers gave away the ball for a straight forward finish.

Next fixture Wellingborough Old Grammarians away.
