Ristee Towers racked up five goals in an important win on a day when the number five seemed to be everywhere. For the first 10 minutes the visitors were on top as they controlled the game and kept Towers pressed back into their half. The Towers faithful were starting to feel that if an early goal came the wrong way in this period then they were in for a long afternoon. Sean Wesley started the action in the first attack of the day as he got on to the end of a raking cross from Mark Seaman to score his 5<sup>th</sup> goal for the club at 22 minutes. Towers gained confidence and passed the ball around neatly but without further score before half time. After the break Dean Hadaway, enjoying good passes from mid field, put in a pin point cross for Mark Seaman to strike in from 18 yards at 56 minutes. Mark Seaman was again on the end of good service when Lee Harris battled the ball free from the corner to cross left footed across the goal line for Seaman's second on 62 minutes. And it was the same provider, Lee Harris, who again drove across from the corner, this time for Sean Wesley to score his second of the day on 73 minutes. Finally provider turned scorer as Gary Rose and Adam Taylor combined to put Dean Hadaway in for his goal at 75 minutes. The visitors gained a consolation goal from an 89<sup>th</sup> minute throw in and a muddle which left everyone looking at everyone else. And the final 5 orientated statistics of the day were that Towers climbed to 30 points in a season for the first time in 5 years !
