Manager Dave Parsons

Man of the Match - Jared Thres

Ristee Towers FC faced a depleted Corby Flamingo and produced the win needed to get the season moving back on track. The first half ended up goal less but as the pace picked up in the second half so did the pressure on the visitor's goal. Eventually it was quick thinking keeper Daryl Millard who lumped a giant clearance downwind for striker Lee Harris to neatly control and lob the keeper for a good old route one finish at 67 minutes. Another Towers attack a few minutes later saw a fumbled back pass to the Flamingos keeper intercepted by Lee Harris for his second at 71 minutes. Flamingos came back with pressure of their own which saw perhaps the biggest clearance yet for Towers as Iain Smith managed to bounce the ball onto the roofs of two neighbouring houses in one go. Then Gary Rose snuck up on goal from a corner for a close range header but ended up headbutting the post, fortunately both he and the post were undamaged. Towards the end with Towers still on the attack Mickey Braines took a pot shot which the keeper knocked up and back into the net to make the game safe for Towers at 76 minutes.
