Ristee Towers FC clicked into gear to attack from the start only to have 25th minute celebrations for an Adam Taylor finish halted as he was judged offside. After the break Gary Rose got on the end of a good move to head in at 59 minutes. Continued Towers pressure paid off in the 76th minute with the award of a penalty which Gary Rose put past the keeper on the left side. The visitors took advantage of a brief nap by Towers to come through and score but it was Mark Seaman who stole the show to score a great individual goal as the Spunky of old dodged and weaved his way through the defence to slide the ball past the keeper for his 100th goal for Ristee Towers FC.

Next fixture Kettering Park Rovers away.
