Ristee Towers FC again came up against division leaders Dainite Sports and this time took the game to them as they burst through to squander five great chances in the first half. Just when a goal less half looked in sight Dainite picked up a free kick right on the edge of the box which went straight in. After the break the youthful Dainite side put on their full all attacking all shooting style at full strength to hunt down every ball and to punish every mistake. Even when they went down to 10 men they showed that all they know is to attack, and why not, as they banged in one goal after another.
