Substitutions . Phil Williams for Ben Wadsworth at 58 minutes Dean Hadaway, Steve Williams James Pitchford, Andrew Pocock unused.

Manager Dave Parsons

Man of the Match Darryl Millard

Both teams and all supporters had to enter the field through a muddy bog which didn't bode well for the general state of the pitch or the quality of football to come. However bar a few small areas the pitch played pretty well and the first half was full of exciting attacking football. Weavers managed to get in round the back of Towers on a couple of occasions only to be thwarted by the rapidly advancing frame of man-of-the-match Daryl Millard. Towers counter attacked on numerous occasions with pace on both left and right and were persistent and aggressive in the midfield. The breakthrough came with Mark Seaman receiving the ball on the edge of the box and finishing with confidence on 18 minutes. Seaman was also instrumental in the second goal, intelligently passing to Shaun Wesley who had the better sight of goal to bag his second in 2 weeks just before half time. The half ended with several fine saves by the Weavers keeper who unfortunately injured himself making one of them and had to be replaced. The second half was not quite the same story, Towers scrapped away but no real chances were being created at either end and the home side couldn't get past the visitors defence. A goal by either side would have changed the complexion of the game completely but instead the half ended on a sour note. Following a goal mouth save some pushing and shoving culminated in a Weavers player being sent off for throwing a punch. With the extra man advantage Towers kept Weavers at bay to secure the win and a clean sheet.

Next fixture
