Ristee Towers FC delivered their disbelieving diehards a disappointing day as they didn't get a goal from early pressure and then came undone in the opening 5 mins when the Vikings landed a lob. A few minutes later that hoodoo of the season, the defensive error, let the home side in for number 2. Backwards and forwards pinged the ball up in the sky in the swirling wind but no more goals came before half time.

In the second half Towers regained some composure and continued to routinely catch Vikings offside. At 50 minutes yet another offside was flagged for 3 homeside players yet play was allowed to continue resulting in a 3rd goal as the Towers defence stood still as they had for all the other previous offsides and despite the linesman's flag staying raised right through to the ensuing kick off without consultation.

Pride was restored when right at the end Dean Hadaway did what he does best, lob the keeper, and from all of 20 yards.
