Man of the Match Darryl Millard

Ristee Towers marked the day with the 10 year testimonial match on behalf of James Pitchford in respect for his loyalty to the club. Even the conditions looked set to enjoy the day as it was warm with still air and no howling wind for once.

Both sides set about their business in an even half in which Towers did not seem to click as a unit and conceded a goal at 26 minutes. Then right before half time goal-a-week Sean Wesley got onto a ball flicked on by Lee Harris to put Towers level on 44 minutes. After the break Towers again had to play catch up as the visitors scored on 67 minutes and had Daryl Millard to thank for keeping them in the game as he charged out for a one on one and, guess what, won the ball to clear. Things were not looking good until, at the 91st minute, Andrew Millard zipped down the line to cross to Adam Taylor for a neat flick in to level the score and save a point.
