Scorers.

Karl Guy at 4, 55 and 65 minutes

Manager Dave Parsons

Man of the Match Karl Guy

Ristee Towers FC took the 82 mile round trip to Hillmorton intent on 3 points and a clean sheet and managed to come away with exactly that.

After just 4 minutes Simon Kent provided a pin point corner kick directly to striker Karl Guy who leapt up and glanced the ball straight in with the narrowest of angles. This duly settled any nerves and led to prolonged spells of attempted link up play which often were foiled by just the one odd touch from the home side or a misplaced through ball. The feeling was that sooner or later one of these moves was going to work out as this kind of play was encouraged by the well cut and pleasantly soft and springy surface - maybe this is what all flood plains should be used for.

After the break Towers kept at it and duly scored again in the 55<sup>th</sup> minute when Karl ( The Bunnyman ) Guy picked up on a ball lost by a defender and zapped it in.

The game went safe at the 58 minute mark when Simon Kent tracked down a lost cause to gain the ball and put in motion a move with none other than Karl Guy on the end of it who stuck it away for his first hat trick for the club.

Credit too must go to the defence and keeper Steve Clark in particular as the home side never gave up and forced some great saves for the camera from the keeper. Also a welcome back to Towers legend Mark Linnitt who made his first competitive return after surgery.

October Goal of the Month

Karl Guy for his amazing almost a bicycle kick but not quite goal against Great Doddington.
