Ristee Towers FC survived the arctic wastes of Market Harborough to come away with all 3 points against Dainite to complete another 6 pointer.

The only goal of the day came in the very first minute when the home side keeper brought down the attacking Sean Wesley outside the box and Gary Rose picked up the ball to fire in into the empty goal from a tight angle.

The rest of a long afternoon for the Towers Faithful was spent huddling against a biting cold wind as a scrappy game ensued. Towers created and wasted chances, Dainite did the same until it was looking like the first team to be punished for a mistake would lose.

Mistakes galore happened at both ends in the odd conditions, sticky one end and dry the other with a blustery diagonal wind, but no one made them count and so in the end Towers ran out the winners to make it 10 straight wins in all competitions.
