Ristee Towers FC scorers Dean Hadaway at 58 minutes, Gary Rose at 80 minutes,

Man of the Match Adam Taylor

Manager Dave Parsons

Ristee Towers FC kept on the pace with their promotion challenge as they went top of the division with this away draw.

Just for a change Towers visited a pitch with some shelter by contrast to recent howling wastes and actually enjoyed day long sunshine. The squad was up for the game and the home side was busy pinging the ball about the park in a bright style but to no advantage to either side at half time.

At 58 minutes Dean Hadaway took a corner which was played straight back to him, so he took another go and the ball went straight in past everybody. 10 minutes later the home side broke through in a hurry and levelled the score and 5 minutes later did the same thing to go ahead.

At this stage Towers switched things about and went gangbusters for goals.

Loads chances came and went with the home keeper pulling off some great saves.

Somewhat frustrating for the Towers Faithful was the sight of Towers players preferring to twiddle about in the box rather than blaze away and see what happens. In the end this week's saviour turned out to be Gary Rose in the 80th minute as he was the one to finally stop all the grape trampling in the 6 yard box as he bundled in the goal.

Next fixture Weavers Old Boys at home
