Ristee Towers FC passed up another opportunity as they again drew against lowly opposition. The old bugbear of conceding the first goal and then having to chase the game also came back in this game when the visitors scored from their first corner on 35 minutes.

Towers were unruffled by this but could not make any moves stick until after the half time break when Adam Taylor picked up the ball on the edge of the box and fired it in on 50 minutes - which was the last goal of the day.
