Man of the Match Gary Rose

Ristee Towers FC took the game to the home side in this the first of 3 local derbys against them but ended the first half a goal down. Mark Seaman had a rasping volley thump the bar and another go wide until in the 66th minute he saw his chance from a short pass and buried this volley into the corner of the net. Now the game went end to end with Towers on the front foot. Chances came and went until the 88th minute when Gary Rose sent Towers through to the Semi Final as another neat pass from Mark Seaman set him up to win the tie and avoid extra time.
