Man of the Match Simon Emery

Ristee Towers FC enjoyed their second local derby in 2 consecutive weeks against the same side, Finedon Volta, this time in the League. Both teams again were evenly matched with few real chances, perhaps with both teams having realised how to stop the other playing. It looked inevitable that it would either be a 0 - 0 draw or a win by the odd goal. Sure enough, in the 73rd minute Volta got a flicked header onto a cross and the ball went in for what turned out to be the winner.
