Man of the Match Steve Emery

Ristee Towers FC came back from a 2 week weather layoff to score an away win and stay in the hunt with the top four in the Division. Both sides appeared to have suffered from the break in the season as play was patchy in quality from both sides. Towers went ahead on 26 minutes when Adam Taylor turned and took a low level pot shot which went straight through all the the players in front of goal. After the break the home side looked to have stalemated the game as a good old fashioned goal mouth scramble somehow ended up with the ball in the Towers net at 73 minutes. Goaded into attack Towers pinned the home side back and in the end it was that man Leigh " The Phantom " Butler who once again lived up to his nickname as he ghosted in to put the final touch to a blocked shot and win the game on the 89th minute.
